

# My First Skool Students Graduate With Glee

By **Joshua Joseph**

Parents were treated to an entertaining and heart-warming concert put up by the children from My First Skool at Pasir Ris Block 487. The event held on 30 November 2011 was also to celebrate the year-end graduation of the children.

Gracing the occasion was guest-of-honour MP for Pasir Ris-Punggol GRC Zainal Sapari who acknowledged the hard work of the teachers and parents for their dedication and time. He also stressed the important role that they play in a child's education journey and shared his belief that encouraging words enable children to progress better.

Also sharing at the event was the centre's Principal Masliah Abdul Rahman who said: "This year, 11 children are graduating from our centre. These children have been with us for the past 11 months. It has been an enriching experience for us to see them grow and develop before our very eyes. Their achievements speak loudly for themselves. Our hope for these precious lives is that they will continue to build upon the foundations we

have laid in their early years through the quality programme here at My First Skool to become confident and happy individuals in primary school and later in life."

The concert put up by the children which revolved around the theme of 'philanthropy' was a testament to their enthusiasm and delight as they performed for their proud and delighted parents.

“ Graduation is like a BIG chapter of your life in the beginning of a book. When you've finished that chapter, the BEST part begins.”
